City of Pella digital cadastral data and maps are a representation of compiled data from various record sources. Some of the sources include recorded plat maps, deeds, site plans, construction plans, or utility, hard copy maps and field book data. These maps are not to be used to determine the exact location of property lines, buildings, landmarks, physical features, topographic features or infrastructure. All physical property information should be verified through non-governmental third-party sources (such as personal examination).

The City of Pella makes no claim as to the accuracy of the City of Pella digital maps and associated data and assumes no responsibility for their use for legal or commercial purposes. The City of Pella gives neither express nor implied warranty to the data for its use or interpretation. The City of Pella is providing data (or access to data) does not assume responsibility for the use or interpretation of any data provided by any individual or entity.

Any person, company or entity that uses or relies on any information obtained from the City of Pella GIS data without independent verification does so at his or her own risk. Additionally, the user of City of Pella GIS data will at all times indemnify and hold the City of Pella and its officers and employees harmless and free and clear of any liability arising from any act of omission or commission.
