Does your child have a interest in performing or puppetry or both? Then they will love this program! Instructors work with students during this 3 day residency program culminating in a professional puppet show on the final day of the class.

Five Suns of the Aztecs

Diversity and Community Involvement!

Eulenspiegel (OIL-N-SPEEGEL) Puppets delight audiences with a large repertoire of international folktale and historical fiction. They are based in Iowa and tour nationally and internationally. They are know for original scripts, whimsical scenery, live music and beautifully crafted puppets of many types.

FIVE SUNS OF THE AZTECS is a bilingual show based on Aztec creation myths. It uses beautifully painted articulated flat figures, flowing silk, and live music to tell dramatic stories about the creation of the world: the sun, mountains, rivers, rain, flowers, and creatures. The Aztec gods Quetzlcoatl and Tezcatlipoca discover that everything goes smoothly when they work together instead of competing.

ART CENTER IN THE PARK

One of the Art Center's most popular programs designed to put art where there are kids. Art Center staff will bring a plethora of art supplies to the parks. They work with students to make anything and everything. Last summer kids and adults made jewelry, paintings, drawings, collages, wood sculpture, books, and hats. In case of heavy rain/lightning, we will meet at the Art Center, in the Pella Community Center. **Fee: \$2 per child**

After School/Home School/Junior Art Center

Does your child have a creative side? Are you always going out and buying the supplies. Why not register your child for an art class. We have been offering an interdisciplinary visual arts program for students in Kindergarten-12th grade at the Community Center since 1990. The Art Center encourages students to explore their individual creative needs by defining their own projects. Mediums include collaging, weaving, sculpting, print making, paper making, painting and puppet making side by side. At the Art Center we help our students develop an appreciation for the value of learning. The choices at the Art Center are extensive and our teachers are prepared to provide the inspiration and information necessary for students to reach their individual goals. Register early to get your desired class. Questions? Please contact the office at 628.4571.
