ART CENTER CLASSES

Does your child have a creative side? Are you always going out and buying the supplies? Why not register your child for an art class. We have been offering an interdisciplinary visual arts program for students in Kindergarten-12th grade at the Community Center since 1990. The Art Center encourages students to explore their individual creative needs by defining their own projects. Mediums include collaging, weaving, sculpting, print making, paper making, painting and clay works side by side. At the Art Center we help our students develop an appreciation for the value of learning. The choices at the Art Center are extensive and our teachers are prepared to provide the inspiration and information necessary for students to reach their individual goals. Register early to get your desired class. Questions or concerns contact the office at 628.4571.
