

## **Public Notice**

### **Antidegradation Alternatives Analysis for the City of Pella, Iowa**

**Notice Date: 11/8/2018**

Notice is hereby given that the City of Pella, Iowa has completed a draft antidegradation alternatives analysis for discharge of treated wastewater to Sents Creek and Thunder Creek, tributaries to the Des Moines River. The action being considered is expansion of the activated sludge treatment facility. The Sents and Thunder Creek is protected for Class A2 primary contact recreational and B(WW-2) warm water beneficial uses.

Anyone wishing to comment on the proposed treatment alternative must do so in writing within 30 days of the date shown at the top of this notice. Comments may be submitted to the City Clerk by hand delivery, mail or email:

City Clerk  
825 Broadway St.  
Pella, IA 50219  
[msmith@cityofpella.com](mailto:msmith@cityofpella.com)

Copies of this notice, the draft antidegradation alternatives analysis and supporting information are on file and available for public inspection from 7:30 AM to 4:30 PM Monday through Friday at the above address. Copies of this information may be requested by contacting the City Clerk at 641-628-4173 or the above email address. The City will submit a summary of comments received and the City's responses to the Iowa Department of Natural Resources with the final alternatives analysis subject to IDNR review and approval.
