

# Pella Community Art Center

## November 2022

### Media of the Month: Clay

Each month we have a different media available for the students to try. These featured media help the students learn a new skill or just give new ideas to work with. Students are not required to participate in the spotlighted media, but they are encouraged to at least try it. The clay, collage, painting, wood, and sewing stations will remain open as well, no matter the month's spotlight media.

This month, we are putting the spotlight on **clay**! Clay is a favorite media that we do with students here at Art Center. The holiday season will be here before we know it. We like to plan ahead and have students think about making gifts for the upcoming gift giving season. Clay can be used to make many different things!

A few clay creations that students are encouraged to make this month include fake food, covered containers, flowerpots, animal sculptures, masks, door plaques, wind chimes, and multi-layer bells. Since clay projects have several steps for completion we get them started and finished before December!

**Monday classes will be held on Nov 21st.**  
**No classes on Tuesday 22nd or Wednesday 23rd.**

### Artistic Reveals Thursdays

Our Pella Community Art Center students make AMAZING CREATIONS on a regular basis. We pick a special one or two projects each Thursday on the [City of Pella Facebook](#) for an Artistic Reveal Thursday.

On a regular basis take project pictures from each class (never putting student names with the pictures) and post them after classes. We think it's wonderful sharing local talent of all ages. Pella is one lucky town, on so many levels, to have such a great program available to their community to participate in.

### Special Events!

- Tuesday, 11/8 @ 6:30—8pm Adult wheel sessions
- Friday, 11/11 @ 11:30-12:00 Lunch Hour Art
- Friday, 11/11 @ 6:30-8pm Felt Christmas Trees
