

No Smoking, Tobacco & Nicotine Policy

Adopted: 2008 (No Smoking Policy)

Revised: 09/15/2017

Fact and Purpose:

In partnership with Marion County Public Health, the City of Pella finds that:

- a)** Tobacco/nicotine use in the proximity of children and adults engaging in or watching outdoor activities is detrimental to their health and can be dangerous to those using such grounds; and
- b)** The City has a unique opportunity to create and sustain an environment that supports a non-tobacco and non-nicotine norm through a tobacco-free/nicotine-free policy, rule enforcement, and adult-peer role modeling on City-owned park grounds and recreational facilities including sport and aquatic complexes or community center building; and
- c)** Parents, leaders, and officials involved in recreation are role models for youth and can have a positive effect on the lifestyle choices they make; and
- d)** The tobacco industry advertises at and sponsors events to foster a connection between tobacco use and recreation; and
- e)** Tobacco products (extends to all types of tobacco, nicotine and electronic smoking device (ESD) products), once consumed in public spaces, are often discarded on the ground requiring additional maintenance expenses, diminish the beauty of outdoor grounds, and pose a risk to toddlers, pets and wildlife due to ingestion; and
- f)** The prohibition of tobacco and nicotine use at all times will serve to protect the health, safety and welfare of the citizens of our City.

Policy:

Tobacco and nicotine use, including but not limited to cigarettes, cigars, chewing tobacco, snuff, pipes, snus, Electronic Smoking Devices (ESD) and nicotine products that are not Food and Drug Administration (FDA) approved for tobacco cessation, is prohibited at all times on park grounds, community center building and grounds, athletic facilities and aquatic center. No person shall use any form of tobacco, nicotine or ESD product at or on any City-owned or operated park grounds or recreational facilities including sport and aquatic complexes or community center building. This tobacco/nicotine/ESD policy applies to all employees, independent contractors, board members, participants in events, and the general public while on the aforementioned grounds.

Enforcement:

- a)** Appropriate signs shall be posted in appropriate areas.
- b)** The community, especially users and staff of park grounds, will be notified about this policy.
- c)** City officials, city employees, parents, coaches, volunteers and citizens of the community are asked to help enforce compliance with this policy.
- d)** Any person found violating this policy will be asked to refrain from tobacco, nicotine or ESD use or risk immediate ejection from the grounds.
- e)** If the violator refuses to leave, staff may contact local authorities.
